

## **Das Hillside house rules**

In the common interest of all guests of Das Hillside Apartments and Das Hillside Alpinlodge and a proper treatment of the property we issue these house rules. They regulate the living together of all guests of the house. We ask you to follow these house rules and to show consideration for each other.

Thank you very much!

### **1. Duties of care**

The house entrance and cellar doors should always be closed. The house entrance doors must be locked at all times so that they cannot be accessed from the outside without a code. Each guest is responsible for this.

### **2. Arrival & departure**

Check In on the day of arrival is possible from 16:00. Check out on the day of departure is necessary until 10:00 a.m.

### **3. Parking lot use**

Please keep the parking lot order and park your vehicle in such a way that the other guests are not hindered.

### **4. Use of the sauna**

The use of the sauna is possible at any time. Towels and bathrobes for your personal use you will find in your apartment/alpine lodge.

The sauna needs 15 minutes to heat up. After finishing the sauna session, the sauna must be turned off again.

### **5. Trash**

Upon departure, all waste and food leftovers must be disposed of by yourself. For this purpose, there are two trash cans for residual waste and one trash can for plastic at the parking lot.

Paper and glass must be disposed of at the Gasthof Bachschmied (at the end of the road on the left) in the respective container provided.

### **6. Leaving the apartment**

Each guest must ensure that all personal belongings as well as food, drinks and leftovers are taken away by themselves and disposed of if necessary.

### **7. Electricity and gas**

Due to the rising and very high energy costs, we request that you turn off all lights when leaving Das Hillside Apartments/Alpinlodge. Please make sure that all lights are turned off on the day of departure. You are welcome to use the general switch to the left of the entrance door for this purpose.

### **8. Pets**

Pets are prohibited in the apartments / alpine lodge.

## **9. Liability**

No liability is assumed for lost items. Please keep your valuables in the respective safes during your stay on.

We wish you a pleasant stay in our Das Hillside!
